ARTICLE IX

Indemnification of Directors and Officers

Each person (and heirs and legal representatives of such
person) who serves or has served as a Director, Officer, or employee of the District shall be indemnified by the District against all liability and reasonable expense, including but not limited to, attorneys' fees and disbursements and amounts of judgments, fines or penalties, incurred by or imposed upon them in connection with any claim, action, suit, or proceeding, actual or threatened, whether civil, criminal, administrative, or investigative, and appeals in which they may become involved as a party or otherwise by reason of acts or omissions in their capacity as and while a commissioner, Officer or employee of the District, provided that such person is wholly successful with respect thereto, unless the Board in its discretion shall determine that such person did not meet the standard of conduct required by these Bylaws.

The term "wholly successful" shall mean termination of any claim, action, suit, or proceedings against such person without any finding of liability or guilt against them and without any settlement by payment, promise or undertaking by or for such person or the expiration of a reasonable period of time after the making of any claim or threat without action, suit or proceeding having been brought and without any settlement by payment, promise or undertaking by or for such person.

The standard of conduct required shall be that such person acted in good faith for a purpose which they reasonably believed to be in the best interest of the District, and that they, in addition, in any criminal action or proceeding, had not reasonable cause to believe their conduct to be unlawful.

Should indemnification be required under these Bylaws with respect to any claim, action, suit or other proceeding where the person seeking indemnification has not been wholly successful, such indemnification may be made only upon the prior determination by a resolution of a majority of those members of
the Board who are not involved in the claim, action, suit or other proceeding, that such person met the standard of conduct required, or, in the discretion of the Board, upon the prior determination by non-employee legal counsel, in written opinion, that such person has met such standard and, where a settlement is involved, that the amount of the settlement is reasonable.

Indemnification under these Bylaws shall not include any amount payable by such person to the District in satisfaction of any judgment or settlement, and indemnification shall be reduced by the amount of any such judgment or settlement.

The termination of any claim, action, suit, or other proceeding, by judgment, order settlement (whether with or without court approval) or conviction or upon a plea of guilty or of nolo contendere, or its equivalent, shall not of itself create a presumption that such person did not meet the standard of conduct required.

Expenses incurred which are subject to indemnification may be advanced by the District prior to final disposition of the claim, action, suit or other proceeding upon receipt of any undertaking acceptable to the District by or on behalf of the recipient to repay such amount unless it shall ultimately be determined that they are entitled to indemnification.

The right of indemnification shall be in addition to other rights to which those to be indemnified may otherwise be entitled by agreement, operation of law or otherwise and shall be available whether or not the claim asserted against such person is based upon matters which antedate the adoption of these Bylaws. If any word, clause, or provision of these Bylaws or any indemnification made under these Bylaws shall for any reason be determined to be invalid, the other provisions of these Bylaws shall not be affected.
but shall remain in full force and effect.

The foregoing Bylaws were duly adopted as and for the Bylaws of the Cherokee Street Community Improvement District by the Board of Directors of said District the meeting held on XX, XXX.
